Gladiators*

Donation recommended is \$20 however any donation will be accepted and is payable upon registration. Clinics will only be held if there is sufficient interest. Various skills will be covered. At some clinics players may rotate between stations but this format may be changed based on attendance and players needs. Skills identified for work include: pitcher & catcher skills, Bunting & Hitting, Proper Throwing & Catching, Base Running/Sliding as well as at home skills drills and warm ups. This is a great way for your player to get extra work as well as become a familiar face with the Battlefield High School Coaching Staff!
